

THE NEW OPERA

DONATION FORM

Thank you for your decision to be a proud supporter of The New Opera! Your contribution will go far to help our company develop and produce operas and to educate our younger audiences.

The New Opera is a new nonprofit organization, and we are grateful for your help and generosity to further the arts in the Atlanta area and other communities. Many do not realize how many expenses go into the composition, rehearsal and performance aspects of an opera company. It is quite astounding! Your financial contribution is very much appreciated!

Please consider a donation of an amount that is comfortable for you and your family or business. And remember, when you donate to The New Opera, we will list you in the donors section of our website and display your generosity in our printed programs at performances!

Please spread the word about our company! We have big plans! Are you ready?!

You can also donate online at www.TheNewOpera.com/donate.htm

Please, indicate your level of support by checking the box beside the amount you would like to donate.
